#### Seeking Sponsors for LIN's 100GreenDays Campaign

*#100greendays is a social media campaign designed to change the daily habits of HCMC residents for the benefit of our environment.*

The campaign, which will run from early mid-June until mid-September, aims to raise funds for LIN's [Narrow the Gap Community Fund](#) by getting HCMC residents to engage in small acts that can improve our environment and challenging their friends and colleagues to do the same.

All of the funds raised during the campaign will be allocated as grants to three projects, designed by local nonprofits, which present an effective approach to addressing environmental challenges.

LIN is currently seeking sponsors for the weekly challenges. Sponsors will be invited to help choose the weekly theme (e.g., conserve water) and related hashtags and pledge funds based on the number of actions taken and shared on social media.

If you are interested to sponsor the #100GreenDays campaign, please contact Ms. Dana Doan at: [dana@LINvn.org](mailto:dana@LINvn.org), 08-3512-0092!
