

ATTACHMENT 3: MESSAGE DEVELOPMENT WORKSHEET TEMPLATE

When you have determined **what audience** you want to communicate with and **why** you want to communicate, you need to determine **what your message will be**. Answer the following questions to determine your message for each audience group.

Remember that your message should:

✓ Be clear	✓ Have the right tone
✓ Be consistent	✓ Be credible
✓ Stress main points	✓ Be targeted to the information needs of the audience

Developing your message is not an exact science. It requires time and experience to get just the right message. As you gain experience communicating your message, you can make changes and fine tune it to improve its effectiveness.

Note: This worksheet has space for 4 audience groups. Your NPO may identify just two main audience groups (beneficiaries and donors), or it even have more than 4 main audience groups. If you have more than 4 audience groups to work with, make copies of this template.
